

Ship Security Officers Course

Maritime Asset Security and Training (MAST) is a leading provider of global maritime security solutions. The Company provides a wide range of services for Commercial Shipping, the Oil and Gas market and Super Yacht industry.

The Ship Security Officers Course is designed for those seeking employment as a security officer on-board a merchant ship and those embarking on a maritime security career.

In order to be awarded the Ship Security Officer certificate you must meet the MCA entry requirement of having 12 months sea service in the Merchant Navy or Royal Navy on vessels over 80gt or 24m, or be able to show an equivalent level of seagoing experience and knowledge of ship operations.

Candidates without this entry requirement will receive a Certificate of Proficiency in Designated Security Duties, to be upgraded to Ship Security Officer on completion of the entry requirements.

MAST is authorised by the UK Maritime Coastguard Agency to teach the course at its dedicated facility at Stansted Airport.

COST: €415.00 (Euros) inclusive of VAT

LOCATION: Stansted, UK

Students are responsible for their travel and accommodation arrangements, however MAST will provide a recommended list of partner hotels.
